## Church- Planting Missionaries in TAIWAN

### He said “go”, So we did!

Oh the joy to serve the Lord and do what He has told us to do! I can't help but think of all the Lord has already done and how far He has already brought us.

At this time last year I remember sitting down and thinking what the Lord was doing. For four years I had worked full time as a traveling evangelist to children and He was burdening our hearts for the lost souls in Taiwan.

Now, Ashley and I are on deputation. Our desire and prayer is still to see souls saved, that will never change. We are praying that The Lord will use us just as much on deputation as He will in Taiwan. We are praying that He will also call men and women to His field to reach a dying world for Him!

### Our First week Presenting

Our first full week presenting the ministry was a blast! The churches were so sweet and each had a heart for missions around the world. They certainly made the start of deputation so sweet!

Some awesome news is that another church decided to take us on for monthly support! There truly is nothing more exciting to watch God start opening the doors He told you to walk through. We are just getting started into deputation and God has already blessed us with 9% of our monthly support goal! Praise His name!

Please continue to pray that the Lord keeps providing the support we need so we can bring His good news to the souls in Taiwan.

### How you can pray for us.

In 2 Kings chapter 8, Solomon is praying and thanking God for all He has done and will do for and with Israel. He begins talking about the lost world and explaining that the “strangers” would come because of all they would hear of what the Lord had done.

In verse 42, Solomon says, “**For they shall hear of thy great name, and of thy strong hand, and of thy stretched out arm.**” After reading this verse, it has become our specific prayer that The Lord would use our time on deputation to:

1. See at least 50 souls give their lives to Him.
2. Have 15 young men surrender to the call of missions to a foreign field.
3. The Lord would use the preaching of His word to encourage members of the church to become faithful workers and givers to their local New Testament church.

Would you join us in prayer as we travel on deputation to show the love of Christ and His “Stretched out arm” to the souls here in America AND in Taiwan?
