Church-Planting Missionaries in **TAIWAN**

Our family is growing!

We are beyond excited that we are expecting our first child October 9th! Ashley and I have prayed for this child for some time. God has answered our prayers and we count it a true blessing to become parents. We covet your prayers for good health for both Ashley and baby.

Life on the Road

Last month flew by in a whirlwind of missions conferences, meetings, and revivals. It has been awesome to watch God work. In March, we had meetings in Georgia, Ohio, Pennsylvania, Kentucky, Michigan, and West Virginia. It is such a blessing to travel throughout the country and see how God is at work in hearts everywhere!

God Provides

It is amazing to see how God uses His people to encourage and provide for us. We are so humbled by the love of Christ that shines through the Christians we meet.

In March, 10 new churches decided to partner with us in reaching Taiwan. It is only by God's grace and the faithfulness of His people. We cannot even fathom how awesome our God is. In James we have this promise, "But my God shall supply all your need according to his riches in glory by Christ Jesus." We have seen His promises come true throughout all our lives. Deputation has allowed us to see Him work in different ways, and it is so awesome. There is truly nothing better than serving God with your life.

Our Prayer

During our travels we have had the opportunity to work with adults and young people. We are praying that God continues to stir young hearts with a burden for the mission field. Above all else though, we are praying that people come to know Christ and grow in their relationship with Him. Will you join us in praying for the souls we will be ministering with during deputation?

We truly appreciate all the prayers and support we have received from each of you. You will never know how much of a blessing you have been to us. We continually pray for you all.

Looking to next month in anticipation of what God is going to do!
