Church-Planting Missionaries in **TAIWAN**

We serve a **BIG** God!

Since the beginning of deputation, we have been praying and expecting God to work in big ways. Again and again, He continues to do just that! At the end of April, we received news that we have reached 21% of our monthly support goal. This can only be our Great God! All Glory to His Great Name!

In 1 Kings 8:41-42, God used Israel as a light to the lost world. Our prayer is that when people see and hear of what is going on in our lives, that they will see the Great Name, Strong Hand, and Outstretched Arm of God.

“For they shall hear of thy great name, and of thy strong hand, and of thy stretched out arm...” 1 Kings 8:42

8,000 Miles

This month in our travels we have been able to present our ministry in Ohio, Kentucky, Michigan, Tennessee, Georgia, and Pennsylvania! Throughout it all, God has given us safety and provided in every way. We are still astonished and humbled by the love His people have bestowed upon us.

Interesting enough, we traveled a little over 8,000 miles in the month of April! This is equivalent to the distance from Atlanta to our new home in Taiwan! We are constantly reminded and thinking of those who we will be able to reach once we get there. We have already begun praying for God to prepare the hearts of those who are 8,000 miles away, yet in such need of Him. Will you pray with us, too?

Our Prayer

As you can see, we serve an awesome God! He has remained so faithful and good to us as we desire to serve Him. There is truly nothing greater than watching Him work in your life. We pray for each of you reading this, that you, too, will choose to serve God with all you are. When you live in full surrender to Him, you will see Him work in Mighty ways!

We've had many opportunities to share the Gospel with young people! Pictured above is my pal Dizzy and I sharing the story of Daniel with the young ones after church. These times are such a joy for us as we see God work in young peoples' lives.

Thank you all for your continued prayers!
