Church-Planting Missionaries in TAIWAN

Back on the Road

This has been an exciting month for us as we have adjusted to life on the road as a family of 3! Anna does great traveling and for that we are so thankful. She has met many wonderful people who have loved on her very much.

October was a busy month for missions conferences. We were blessed to be in many churches who love missions and have a great burden for world evangelism. Two of those churches have decided to partner with us in getting to Taiwan. Praise the Lord for His faithful provisions!

Please continue to pray as we strive to get to Taiwan by October of 2020 (just one year from now!).

Currently, we're at 35% of our

needed support. We serve a big God who we know is ready and able to provide the other 65% in the next year!

What is your role?

Deputation has allowed us opportunities to meet many different people. Specifically, I have met some young men who are interested in doing something for the Lord with their life. God has given them the desire for missions and allowed my path to cross with theirs. I ask that you would pray for these young men as they make big decisions for their lives and strive to follow God's leading.

Do you have a desire to do something for God, like these young men, but just don't know what your role is in world evangelism? I encourage you to prayerfully consider coming to the 2020 Our Generation Conference. This conference is an opportunity to surround yourself with missionaries and pastors who have a desire for world evangelism. They will help answer your questions and offer practical ways for you to be involved in reaching the world with the Gospel. The conference is being held at Lake Lanier Lodge and Conference Center in Buford, GA on January 2-4, 2020. If you want more information or would like to register for you or your church, please contact me.

Our Prayer Needs:

- Anna's salvation at an early age and physical health as we travel.
- Preparations and needed support as we plan to leave in October 2020.
- Guidance for the young men I am talking with to know what God wants for their lives.
- The upcoming Our Generation Conference and more people to become involved in missions through it.

Thank you for your prayers and support! We are humbled by your love and faithfulness in reaching the world with the Gospel.
